**DENIAL OF REQUEST FOR EXTENSION OF TIME TO FILE  
RESPONSE TO MOTION TO STRIKE AND OPPOSITION TO MOTION TO  
INTERVENE**

Dear Mr. Solem:

This letter acknowledges receipt of your October 19, 2018 request for an extension of time to file a response to the "Charging Party's Motion to Strike Berlew's Exceptions and Opposition to Berlew's Motion to Intervene" filed October 15, 2018, and to the "General Counsel's Opposition to William Berlew's Request to Reopen the Record" filed October 17, 2018. The Board's Rules and Regulations do not specify the time in which an opposition and response must be filed. As a general practice, such responses and oppositions are accepted if they are filed prior to action on the motion, or opposition. However, as there is no due date for responses to such motions and oppositions set forth in the Board's Rules and Regulations, I am unable to set or extend a due date for such a filing.
